

Trek Part

Trek Parts - TREK Cleaning Machines is a maker of cleaning machines. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have over 60 years of experience effectively designing, developing, marketing, manufacturing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are dedicated to providing new design concepts and top quality to be able to meet the diverse needs of their customers.

TREK Cleaning Machines continually offers fresh design ideas as proven in their product development. They enjoy providing items that energize both their dealers and their partners and provide production gains to their clients.

The team at TREK enjoys dealing with new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' needs and skills along with their knowledge of cleaning applications, together with owners' strong desire to significantly reduce cost through productivity gains.

When required, the workers within TREK and its various dealer members in both technical support and parts will be obtainable. One of their core values is their high service dedication in their customer service. Keeping their clients' cleaning equipment running and ready day by day is top priority. The company's top of the line technology delivers reliable equipment that ultimately lessens your cleaning cost. The service, the product and the price all work as one to make them an industry leader.
