

Nissan Forklift Part

Nissan Forklift Part - Nissan Motor Co. Ltd prides itself on attaining total consumer fulfillment when enjoying one of their car, truck or forklift products. They are fully committed to providing high value and detail-oriented quality values to their customers. Incorporating a fruitful heritage combined with strong production principals, Nissan Forklifts supply many of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide desires of their assorted customer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to offering customer support, the business has four independent manufacturing facilities that permit them to constantly adapt to their clients continually evolving needs by offering an assortment of progressive ideas and designs.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a team of 350 personnel, they are devoted to the design, fabrication, and support of their forklift products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to maintain environmental accountability by using techniques and procedures that minimize their environmental footprint. These high values remind customers that Nissan operates under the quality seal that their consumers require whilst being an environmentally conscious organization.

Nissan is quite confident that any of their clients inquiries and client considerations directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, contacting one of their locally endorsed dealers or even visiting their Midwestern facility, Nissan Forklift Corporation is certain you will be impressed with their hospitality and dedication.
