

## Electrical Part for Forklifts

Electrical Part for Forklifts - Forklifts along with various forklifts may have particular labels utilized in certain hazardous locations. The label denotes that this specific model of forklift meets the minimum standards of ANSI/UL 553 utilized for electric forklifts or ANSI/UL 558 intended for internal combustion engine lift trucks.

The use for labels utilized for lift forklifts could be found in National Fire Protection Association NFPA 505 - Powered Industrial forklifts including: Type Designations, Areas of Use, and Maintenance and Operation. Ask your local insurance provider and Fire Marshall for further information on the permitted uses of industrial powered forklifts in your application.

If the lift truck has been found to meet the outlined standards, the following labels could be placed. A labeled truck would have the model description placed on the lift truck nameplate and will have one of the following labels placed.
